VERSE:

**Pollyanna may just say
There's Magic in the world today
Lately I choose to agree
With all that's happening for me
Of all the possibilities - you came to me.**

PRE CHORUS:

**Now I no longer live in pain
Cause I have the choice not to complain
Cause I am fine, the way I am, just being me**

CHORUS:

**And I fly in all my dreams, as they come true
Because of you in my life time
And I fly in all my dreams, as they come true
Because of you in my life time**

VERSE:

**Pollyanna may just say
There's joy in living everyday
Lately I choose to agree
As doors are opening for me
In place full of mystery - you came to me**

PRE CHORUS:

**Now I am full of life again
I see the love in all my friends
And I am fine, the way I am, just being me**

CHORUS

BRIDGE:

**Now life may knock me off again
But I'm not alone and I have my friends
And I am fine the way I am, I am fine the way I am**
